

Winterize Your Lawn!

“Winterize your lawn,” the big sign outside the garden store commanded. I’ve fed it, watered it, mowed it, raked it, ... and watched a lot of it die anyway. Now I’m supposed to winterize it?

I hope it's too late. Grass lawns have to be the stupidest thing we've come up with outside of thong swimsuits! We constantly battle dandelions, Queen Anne's lace, thistle, violets, chicory, and clover that thrive naturally, so we can grow grass that must be nursed through an annual four-step chemical dependency.
