

“You better sit down, Lord. The Suburbanites have drawn a new circle. As soon as the leaves fall, they rake them into great piles and have them hauled away.”

*“No! What do they do to protect the shrub and tree roots in the winter and keep the soil moist and loose?”*

“After throwing away your leaves, they go out and buy something they call mulch. They haul it home and spread it around in place of the leaves.”

*“And where do they get this mulch?”*

“They cut down trees and grind them up.” ~ Author Unknown
